To whom it may concern:

It's time once again for the extravagant Women of Westland ATHENA Chocolate Fantasy Ball! You, your friends, family members and co-workers are all invited to join the Women of Westland and Mayor William R. Wild Saturday, March 6th, 2010 at Joy Manor to celebrate this year's Chocolate Fantasy Ball, and recognize the recipient of the International ATHENA Award.

Helping women achieve their goals in life continues to be the focus of the Women of Westland Organization. An International Award, the ATHENA Award, celebrates the potential of all women as valued members and leaders of the community and recognizes those who support them. This is an opportunity for the whole community to come together to recognize our unsung heroes.

In addition to recognizing someone of the community who demonstrates excellence, creativity, and initiative in their business or profession, this *sweet* event supports an effort to empower women who might not have the financial means to gain a higher education. Your gift to the 2010 ATHENA Chocolate Fantasy Ball will support the Women of Westland's Silent Auction, where all proceeds are donated to the Barbara Douglas Scholarship Program. Since 2002 with the help of local businesses and sponsors, the Women of Westland have been able to award 19 scholarships through this program. Through this spectacular event the organization has also been able to support such non-profits as the American Cancer Society, The Red Wagon Literacy Project, First Step and many more.

This year's event will feature hors d'oeuvres, a premium cash bar, dancing and proud recognition of the 2010 ATHENA nominees and the award recipient by both state and local dignitaries. The evening will conclude with the now famous, *Chocolate Fantasy Extravaganza*, sponsored by The Mary Denning's Cake Shoppe!

If you or your business is interested in becoming a sponsor or making a silent auction donation please complete the enclosed form. We greatly appreciate your consideration in donating to this worthy cause; every effort makes a difference.

Sincerely,

Meghan Giersdorf
